Introduction

Kabwata Baptist Church exists to glorify God through the faithful preaching of His Word, discipleship of believers, and the spread of the Gospel both in Zambia and beyond. As a church rooted in the Reformed Baptist tradition, we are committed to building a Christ-centered community that is active in worship, evangelism, missions, and mercy. None of this work would be possible without the generous partnership of God’s people. This donation policy outlines how we receive, manage, and apply financial gifts in support of our ministries and missions, ensuring that every contribution is stewarded faithfully and used for the advancement of the Gospel.

Biblical Stewardship and Accountability

At Kabwata Baptist Church, we recognize that every gift represents not only financial value but also a commitment to the Gospel, shared vision, and kingdom work. As a church firmly rooted in the Reformed Baptist tradition—and guided by our doctrinal standards and the leadership of elders and deacons—we view donations as sacred trust and steward them with integrity, transparency, and accountability. This policy explains how we receive, use, and report on donations in support of our ministries.

Our Ministries and Missions

Kabwata Baptist Church operates a number of ministries that serve both our congregation and the wider community. These include the Media Ministry, Library Ministry, Children’s Ministry, Intermediate Young People, Senior Youth, Lusaka Ministerial College, Hope Ministry, and Campus Outreach. Each ministry is focused on discipleship, evangelism, and service. A central focus of Kabwata Baptist Church is missions. We support and send missionaries who are engaged in church planting, evangelism, and discipleship both within Zambia and across other African countries. This missions effort is one of the most significant aspects of our calling as a church, and it relies heavily on donor support.

Purpose of Donations

Donations help power these ministries and missions—enabling the purchase of resources, the development of Christian literature, the equipping of leaders, and the support of missionaries in their fields. When a person, church, or organization gives to Kabwata Baptist Church, the donation may be designated for a particular ministry or mission purpose (for example, media production, library resources, or a specific missionary family). Undesignated gifts are allocated where the need is greatest, ensuring balanced support across all areas of our work.

Financial Integrity and Oversight

All financial gifts are handled in accordance with sound accounting practices, overseen by the elders and deacons, and recorded promptly and responsibly. Ministry and missions expenses are prioritized according to plans and resource availability. No donation is too small to make an impact, and every gift is received with gratitude. Kabwata Baptist Church leadership does not personally benefit from gift funds; all resources are used solely for the advancement of the Gospel.

Non-Refundable Giving

All donations to Kabwata Baptist Church are non-refundable. Once funds have been allocated or committed to a ministry or mission project, they cannot be returned. Giving is voluntary and represents a trust placed in the leadership to deploy resources wisely. Depending on the donor's country, tax deductibility may vary; donors are encouraged to seek guidance about tax laws in their jurisdictions, as we cannot guarantee eligibility outside Zambia.

Transparency and Reporting

We are committed to transparency and accountability. Reports of ministry activities, financial expenditures, and mission impact are periodically shared with members and supporters through meetings, newsletters, and our church website. Donors who designate their gifts for specific ministries or missions may also receive updates on how their support is being used.

Our Gratitude

We are deeply thankful for your generosity. Your support makes possible the creation and distribution of Christian literature, the strengthening of youth and children's ministries, the mercy work of Hope Ministry, pastoral and leadership training, and the vital work of missions across Africa. Together, we are labouring to see lives transformed, the church built up, and God's Word proclaimed to the nations.
